Notes:

Points System

- Your points are based on your most recent full year results – so if applying in final year, you will be using **your second year marks**
- Points required varies each year – points vary in each university and depending on your subjects
 - This is in response to a need to train teachers in shortage subjects
- It is not possible to predict points required for subsequent years

In addition to grades....How can I increase my points

- **How can I increase my points?**
 - If you don't get a place when you apply you can re-apply the following year with final year results
 - **Additional Qualifications** (only eligible if completed at time of application)
 - Undergraduate e.g. PLC courses / other quals
 - Postgraduate
 - Course must be completed by 1st December in year application
 - Relevant **Paid Professional** Experience – 1 point for each year (full-time or part-time)
- **Good to keep options open and apply to several universities**

The points system for academic performance set out below is designed to take account of all eligible level 8 primary degrees - including two-subject honours degrees, single honours degrees and degrees with one subject at honours level and one subject at pass level. In the case of eligible General Level 8 Degrees of the NUI (i.e. three subject pass degrees), points will be allocated using the schedule for pass papers.

The following should assist applicants who wish to calculate their points

The points for academic performances are based on the overall percentage mark obtained in the appropriate examination as confirmed by the applicant's university or awarding body, or as determined by The Postgraduate Applications Centre (PAC) on the basis of information received.

Maximum Points for candidates with an eligible level 8 primary degree for which an honours award is available: 51 points

Maximum Points for candidates with an eligible level 8 primary degree for which an honours award is not available: 45 points

Maximum Points for candidates with a two subject eligible level 8 degree, where honours are available for one subject but not for the other: 48 points

Qualifications	Points
PhD.	10
Masters Degree	6
Higher/Graduate Diploma	3
Higher Certificate	1

Qualifications	Points
2nd Primary Degree	4
Diploma - at least 1 year full-time or 2 years part-time.	2
Certificate - at least 1 year full-time or 2 years part-time.	1

Qualifications which form a subsidiary part of a higher qualification are not awarded points and level 7 as part of a level 8 award e.g., a National Diploma as part of a Degree Programme.

All qualifications being submitted for assessment purposes must be awarded prior to 01 December 2018.

What can you do now and going forward?

- The better your grades in 2nd year the higher your points when applying for the PME Post-Primary in final year
- Have a look at all of the courses – links on our Info Sheets
<https://www.maynoothuniversity.ie/careers/students/information-and-resources#info>
- Check Teaching Council subject criteria and ensure your modules meet the criteria – contact the Careers and Employability Service if you have any questions
- If you don't talk to us / identify how you can get the missing requirements – getting this sorted in 2nd year can remove stress in final year.
- Consider getting any relevant experience related to work with children/teaching etc. to gain additional points
 - Voluntary work also useful for TCD/UL/Hibernia
- Classroom observation, talking to teachers can be helpful in exploring whether teaching is as you expect it to be – useful to get a sense of classroom environment now (rather than what you remember from school)

- Consider your grades and your interests when choosing subjects
- Experience working with young people to gain additional points

*Application procedure and/or use of interview in selection process may be subject to change in future years

Points for relevant Professional Experience

Up to five points may be awarded in recognition of full-time paid employment which is deemed relevant, and which can be verified. Points will normally be awarded on the basis of one point for year of relevant experience, up to the maximum of five points

Up to two additional points may be awarded in recognition of part-time paid employment which is deemed relevant, and which can be verified. Points will normally be awarded on the basis of one point for year of relevant experience, up to the maximum of two points

Applicants for the PME may have other relevant experience, independent of their academic programme(s), related to working with young people in a voluntary capacity. The experience must be over a sustained period and must be of a sufficiently high level to merit the allocation of additional points. In recognition of the value of these experiences, some additional points can be awarded. To claim additional points, you will normally need to provide a letter from an official of the organisation with whom you volunteered showing the start and end dates, your contribution in terms of time, and a description of the role.

Points are awarded in three categories:

- i. Full-time paid professional experience. If the experience is deemed relevant, one point is awarded per year of employment, up to a maximum of 5 points.
- ii. Part-time paid professional experience. If the experience is deemed relevant, one point is awarded per year of employment (min. 100 hours per year), up to a maximum of 2 points.
- iii. Sustained voluntary work with young people (e.g., weekly) in an organisational context. If the experience is deemed relevant, 1 point is awarded per year of volunteering, up to a maximum of 4 points.

Applicants may make a claim for points in any or all of these categories and may be awarded up to a maximum of 11 points in total.

Please note that:

1. Points cannot be awarded where the supporting information provided is ambiguous or incomplete.
2. The acceptance of points awarded for professional and voluntary experience is entirely at the discretion of the PAC PMEd team, representing the Froebel Department of Primary and Early Childhood Education, Maynooth University.
3. Points are not awarded for teaching in a school while unqualified.

What can you do now and going forward?

Prepare for interview* – school observation or talking to teachers...

Even if applying for courses without interview – observation will help you clarify if you would enjoy a classroom environment – gives you a good sense of what to expect

- Find out as much as you can about the primary curriculum
 - How are subjects taught at different levels throughout the school?
 - How are special educational needs supports provided in the schools?
 - How are phonics taught? What is Aisteaír?
 - Any recent/upcoming changes to the curriculum? ... Primary Languages curriculum? Well-being initiatives? Bi Cinnealta?
-
- Have a look at all of the courses.
 - Check that you meet the entry requirements
 - If you don't talk to us / identify how you can get the missing requirements – getting this sorted in 2nd year can remove stress in final year.

*Application procedure and use of interview in selection process may be subject to change in future years
