

Programme Advisory Office

Your Maynooth Education

**Maynooth
University**
National University
of Ireland Maynooth

**Excited about
electives?**

**Can't decide
which pathway?**

**Confused about
subject combinations?**

The Programme Advisory Office acts as a guide to students as they navigate their own way through their programme options.

Programme Choices

The Programme Advisory Office is available to assist and advise undergraduate students, including incoming first year students, with programme related decisions you may be unsure about before and during the registration period.

First Year

All incoming first year students are briefed by the Programme Advisor during Welcome Week about the programme choices you will be asked to make during your academic journey at Maynooth University. The Programme Advisory Team will also be available in person, over the phone and via email to answer any follow up questions you may have before or after registering. Details of times and location are available on the Programme Advisory Office website.

Second Year

Continuing students may also avail of the service if you are unsure about your programme choices. For example, you may have questions about the flexible pathways (double major, major w/ minor or single major) available to you or perhaps you would like more information about our exciting second year Electives.
