

Campus Life Committee – Terms of Reference

The role of the Academic Council Campus Life Committee is to make recommendations to Academic Council on matters of strategy and policy in relation to all aspects of life on the University campus, for staff, students and the community, in order to develop of the University as a vibrant scholarly community, and an excellent place to work or study. The remit of the Committee is to bring advice and recommendations to Academic Council on strategic and policy matters related to:

- Development of the intellectual and cultural life on campus, to establish the campus as a centre for intellectual, cultural and artistic activities for the University, the town and the region;
- Development of the sporting activities of the University;
- The campus environment, including aesthetics, practicality, environmental impact, sustainability, and green campus initiatives;
- Future plans for the development of the campus;
- Potential to open the campus to the wider community;
- The campus as a place of residence for students.
