

## MU Library

Fig 1. Exterior of MU Library

**MU Library** is a popular place to meet, study and research in. We're located in the middle of the campus on the southern side, beside the Kilcock road. Choose from a variety of study spaces; from the open-access area on the ground floor, where food, drink and chat is allowed, with access to over 50 laptops and print facilities, to the quieter areas on levels 1 and 2, with training rooms and meeting rooms. There's a Starbucks located on the ground floor, and even sleep-pods on level 1 if you need to re-charge. Use our bookable group study rooms([http://nuim.libcal.com/booking/MU\\_GroupStudyRooms](http://nuim.libcal.com/booking/MU_GroupStudyRooms)) for your group project-work. MU Library hosts campus exhibitions and events in the foyer during the year, so there's nearly always something new to view.

MU Library is the portal to a vast collection of resources for students of the Edward M Kennedy Institute, which you'll need for your essays and research. Take a look at the MU library homepage; (<https://www.maynoothuniversity.ie/library>)we've excellent information, training, materials, supports and services that will help you in your studies. We also provide a dedicated Edward M Kennedy Institute (<http://nuim.libguides.com/kennedy>) space on our webpage that we recommend you bookmark; it's a great source of subject-specific material and news.

Use **LibrarySearch** (see Fig. 3 above) on the library homepage to discover everything MU Library holds on your subject and topics. It gives you the location and details of thousands of e-books and e-journals you can read online on your devices, as well as information on books, journal articles, and databases on your subject. We also have online e-dictionaries, encyclopaedias and e-books; basically, everything you need to write successful assignments. If it seems like a lot of stuff, start with your subject guide here (<http://nuim.libguides.com/kennedy>) for basic suggestions and help.

You can access the information on LibrarySearch, and e-books, e-journals and databases when you're on or off-campus. You have options for basic and advanced search features to find exactly what you are looking for. Get hacks for running successful searches in our free LIST Online tutorials, and come to our **LIST training sessions** in the library (later in Semester 1) to learn skills that will help in your essays and assignments. If you've any queries about finding material, whether it's online, or on the shelf, library staff are happy to help you; just ask at the Library desk or live "Library Chat" box on our homepage. You'll also see us around campus in Semester 1 as we hold "pop-up" events, where you can find out more about what the library can offer you.

Your **MyCard** (student card) entitles you to borrow material from the Library. If you are not sure how many items you can borrow, click on the Using the Library blue box (see Fig. 4 below) on the library homepage for information.

You can borrow a laptop from the laptop-bank, opposite the library desk, to use within the library, or you can log on to one of the library PC's to do your essays. The Library is wireless so you can use your own laptop in the library too. We have a 3D printer available (ask us at the Library desk) as well as a colour photocopier, in addition to numerous black and white photocopiers. You use your MyCard to load it with credit to print. **IT Services** have a dedicated space at the main library desk too where you can go if you need IT help. The **Maths Support Centre** (ground floor) is also located in the library.
