

MH415 - BSc Economics (Integrated with MSc Economics)

FAQ:

3- *What is the duration of the programme?*

The bare bone of the programme is three years in duration. In addition, you have the Erasmus/ Study Abroad option after the first two years in Maynooth campus (depending on availability).

The BSc programme is integrated with the MSc programme. The default path is going from BSc Economics to MSc Economics.

You will automatically progress to MSc Economics, as long as you reach a minimum standard (55/100 in the BSc degree result).

The MSc Economics programme is a full year of study after graduation with BSc Economics.
