

Displacement, Gender and Justice – Reflections in Memory of

Dr. Sinéad McGrath

Friday, 22nd April 1.30pm – 3pm

Room SE014,

School of Education, North Campus, Maynooth University

Please join with us at the Maynooth University Department of International Development to remember our colleague, Dr. Sinéad McGrath, who passed away, sadly, in January 2022.

At this event, which is open to all Sinead's family, colleagues, students, alumni and friends, we will be joined by speakers who will reflect on Sinead's contributions to research, in her teaching and through her activism. These include **Dr. Melanie Hoewer** and **Dr. Alexander Dukalskis**, Sinéad's PhD supervisors at UCD and **Patrick Marren**, the co-ordinator of the undergraduate programme that Sinéad taught on at the Department of International Development.

We will also be joined by **Verity Swan** from Rotary Raheny, who will present a Peace Pole to the Department of International Development in memory of Sinéad's work and her commitment to peace, equality, and human rights.

All participants are also welcome to a reception afterwards. For those who cannot participate in person, please email Maria Heneghan at internationaldevelopment@mu.ie for the Teams link, where we hope to stream some of the event.
