

# MAYNOOTH UNIVERSITY MICRO- CREDENTIALS

## RESTORATIVE PRACTICE

**Register by:** 7 January 2023  
**Duration:** 12 weeks part-time

**Delivery:** Blended course  
(online Tuesdays and on campus  
on Saturdays)

# RESTORATIVE PRACTICE

12 week part-time course introducing participants to the use of restorative practices across a diverse range of situations. The course also provides participants with the practical tools to develop and implement their own restorative practices in a variety of settings.

## Who is this micro-credential for?

- Professionals across various industries seeking practical learning that may be applied to creating engaged workplaces and engaging with clients/customers
- People wishing to enhance their broader communication skills and their capability of addressing concerns arising in relationships with others (commercial, workplace, personal etc.)
- People interested in developing a supportive peer learning network

## Why should you do this course?

Expand your knowledge about the process of repairing and restoring relationships across various areas of your life. Develop your practical skills for restorative practices in a structured learning environment. Build your confidence to be able to create a safe space and a sense of community for people. Expand your network of like-minded peers and participate in peer to peer learning activities.

## Course delivery

The course will be commencing on Saturday, 28 January 2023. This course will be delivered in person from 9.30am–4.30pm on Saturdays with online classes taking place from 6.00pm–8.30pm on Tuesday evenings.

## Entry requirements

Applicants should have a minimum 2.2 grade, honours (level 8) degree. However, this course is also open to experienced professionals who do not hold a primary degree.
