

Dear Student,

You may still **apply for Erasmus student exchange starting September 2015 and study through English** at one of our partner universities listed below. You may appreciate the opportunity to enhance your degree and earn a **BA International!**

Studying abroad offers many advantages and also opportunities you wouldn't have in Maynooth! One of our students currently on an exchange in the UK has been involved in the biggest student film production ever attempted in the UK and is now writing a short movie <https://www.maynoothuniversity.ie/international/news/maynooth-university-student-lead-editor-feature-film-made-uk>
