

**Maynooth
University**

National University
of Ireland Maynooth

**School of Business
Industry Speaker Series 2019**

‘Job Search & Careers in the HighTech Sector’

Date: Friday, 25th October 2019

Time: 2.00pm

Venue: AX1 - Auxilia House (North Campus)

About the Event

The event features two speakers from the Technology sector. From **Google**, Mr Danny Tangney who is a Scaled Customer Engineering Manager in Cloud Computing and from **Sprout Social**, Mr Barry Hughes who Head of People Management, EMEA Region.

The discussion will focus on:

- What Employers look for during Hiring
- Dealing with Ambiguity
- Navigating a Career in the High Technology Sector
- HR’s Relationship with Data Analytics
- Opportunities for Maynooth University Graduates

Get ahead of the competition at what promises to reveal insights of how to ‘job search’ and work in the HighTech sector in recent times!
