Updated: 5th September 2024

Welcome

Welcome to Maynooth University and we look forward to welcoming you in person in the coming weeks.

The booklet contains details of your Subject Information Talks & Welcome Week schedule and a map to help you find your way around the campus.

Please contact us if you have any suggestions as to how we can improve this publication. Email orientation@mu.ie

Make sure to follow our Orientation Website (my.maynoothuniversity.ie) and our social media channels for updates on the Subject Talks, Welcome Week and campaigns throughout the year (see below).

What Happens Next?

Read & Reply

Read and follow the instructions from the email sent by the Student Registration team on Monday, 9th September

Welcome Week

Attend Welcome Week events (16-20 September) and find out about university life and complete your registration.

Check out the Student Orientation website for schedules, information and updates.

my.maynoothuniversity.ie

Your Subject Choices

If you have to make a subject choice as part of your degree programme, make sure to attend the Subject Information Talks on the 10th **OR** 11th September

For information on programme choices and subject options, contact the Programme Advisory Office.

Email: programme.choices@mu.ie

Start Lectures

Start your lectures and get involved in University life (23rd September 2024)

Your Subject Choices

Your Subject Information Talks:

Tuesday, 10th & Wednesday, 11th September

Presentations by Academic Departments:

To help you make your subject choices there are Subject Information Talks on Tuesday, 10th and Wednesday, 11th September. You will find the schedules for the MH101 / Arts / Social Science talks as well as the MH201 / Science & Engineering talks in this booklet or on the orientation website: my.maynoothuniversity.ie.

You will find a full list of classroom locations on campus at: www.maynoothuniversity.ie/campus-life/campus-map

Tips for choosing your Subjects

The Subject Information Talks will help you to select the subjects you wish to study. Please see some of our tips in choosing your subjects.

If you find that you have not been able to attend a talk on a particular subject then the staff of that department will be only too happy to talk to you about their subject.

Changing your Subjects

During your first four weeks you have the opportunity to change your subjects and you may attend lectures in any subject to facilitate your final selection.

It is important to make up your mind reasonably soon due to in-class assignments and continuous assessment as well as end of semester examinations in January as it can be difficult to make up for lost time. Students wishing to change subjects can do so on-line. Details on how to do this can be found on the Student Records & Registration Office webpages: www.maynoothuniversity.ie/records.

The deadline for 1st Year change of subject is Friday, 18th October 2024. Please refer to the University's course finder (www.maynoothuniversity.ie/courses) for details of the subjects available on your programme and individual requirements for taking a particular subject.

Need Advice when Choosing Your Subjects?

The Programme Advisory Office and the Careers & Employability Office will be in the TSI Building on the 10th & 11th September to deal with any queries you might have when it comes to choosing your subjects.

SUBJECT INFORMATION TALKS

MH101 / Arts and Social Sciences

Tuesday 10 and Wednesday 11 September 2024

1.30pm - 1.55pm	Mathematical Physics (MH201)	Engineering Science
2.05pm - 2.30pm		Biology

Top Tips for Choosing your Subjects

Before coming to Maynooth

- Once you have accepted your CAO offer to come to Maynooth, review and research your course choice including course content on course finder:
<https://www.maynoothuniversity.ie/study-maynooth/undergraduate-studies/courses>
- Consult Department Websites as a way to get a feel for a potential subject.
- Reflect on what interests you. Ask yourself questions such as: Why did I choose this subject in the first place? Is it selected by me or by someone else? What are my strengths? Does the subject interest me? What kind of occupation could I pursue with this subject? Could I see myself doing this for years to come?

Subject Information Talks & During Welcome Week

- Go to as many subject information talks as you can to optimise your choices.
- Talk to various departments and staff to enquire about subjects that interest you.
- Seek out students who are currently studying the same programme or who have graduated from the same programme. Meet and ask them questions about their coursework, career hopes, and experiences.
- Talk to the Programme Advisory Office about your programme choices and subject options.
- Talk to the Careers & Employability Service about your subject choices and potential career implications.

Change of Mind

- You can change your subject choices up until Friday, 18th October 2024 (free of charge) BUT remember to use this 4 week window wisely.
- Get the timetable of the subjects /modules that you are interested in (<https://apps.maynoothuniversity.ie/timetable>).
- If you still have queries in relation to the subjects or are still unsure as to your final choices, consult with the relevant department(s) and the Programme Advisory Office.
- If you do want to make any changes, they can be done on-line via the registration amendment facility which can be accessed by logging in to the Student Web: <https://studentweb.nuim.ie>
- Please try and avoid making changes to your subjects at the last minute without previously attending the lectures of the relevant subject you are moving to.

Important to Remember

Subjects are taught from day one of the commencement of lectures so the later you leave it to firm up your choices, the more of a subject you may miss.

Welcome Week 16-20 September

Welcome Week

16th - 20th September

Welcome Week is part of our New Student Orientation Programme which is made up of a number of different sessions to introduce you to University life. Registration is where you formally become a student of Maynooth University. The following is a quick overview of the sessions that take place before lectures start:

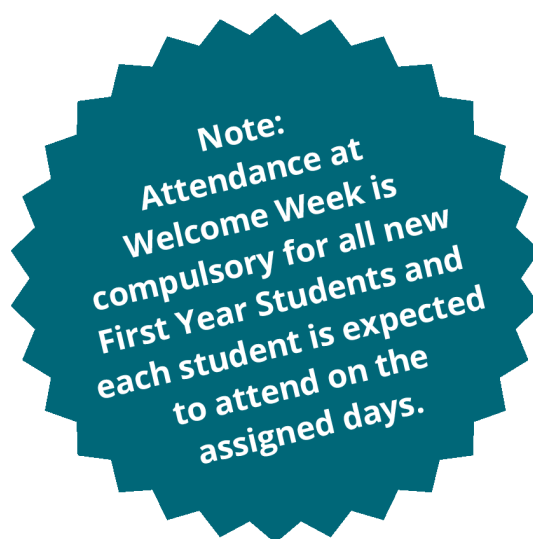

Registration Verification

This is where you formally become a student of the University. You will be required to register and pay your fees online via the Maynooth University Student Web. You will receive an email to the email address you supplied to the CAO with detailed instructions on how to register. This email will be issued by the Student Records & Registration Office.

You will also be required to come to campus to attend a series of Welcome Week events including Registration Verification where the Student Records & Registration Staff will check to ensure you have registered correctly and will issue your student card.

Please note: students are required to carry their student card with them at all times when they are on campus.

You will be assigned to a particular group for Welcome Week and registration verification, details of which will be specified in the email you will receive about registration and in this handbook.

Fees & Grants

Fee information is sent to all students, fee assessment links and details on how to pay your fee liability are included. The Fees & Grants team host fee specific talks, walk-in clinics and Q&A sessions.

Welcome Week (continued)

The Presidents' Welcome

The President of Maynooth University, Professor Eeva Leinonen and the President of Maynooth Students' Union, Gavin Fanning, address all new students to welcome you officially to Maynooth.

Your Maynooth Experience - Believe, Belong, Be You

Professor Tim Thompson, Vice-President for Students & Learning.

Studying at Maynooth University is more than earning a qualification. It's about making friends for life, having unforgettable experiences, and the chance to try something new.

The student experience is at the heart of everything that we do and we look forward to helping you develop academically, personally and professionally to make sure you have all the skills you need to succeed in the world- for whatever you decide to do.

Welcome to your Programme of Study

Get your first glimpse of your academic programme which will be introduced by a member of the academic staff.

Meet Your Students' Union

Meet representatives of the Maynooth Students' Union (MSU). The aim of MSU is to promote, defend and advance the interests of its members. Find out more about the services that they provide for their members, the wide range of on-campus events that they organise as well as how to get involved with the SU.

Campus Tour

Enjoy a tour of the North and South Campuses to help you find your way around. Your guides will be current students who will show you all the important places - make sure to ask them plenty of questions.

Getting Ready for University Life

Meet and talk with other students as well as the various university services who are here to support you throughout your time in Maynooth.

From practical advice around timetables, to choosing your subjects, discussing your future careers, meeting personal and academic support services, to exploring the wide range of opportunities available to students, etc, visit the different zones and attend the talks to a glimpse of university life as you start your journey with us.

See the schedule for these "Getting Ready for University Life" sessions later in this booklet.

Find your Welcome Week Group

You are assigned to a group based on your course.

Arts Students (MH101), Science Students (MH201), MH404 and MH502 Students will be assigned to their respective groups via an email from the Student Records & Registration Office which will be sent on Monday, 9th September and will contain your registration details.

Attendance at the Welcome Week in-person sessions is compulsory for ALL NEW First-Year Students and each student is expected to attend on their assigned day. For updates on the schedules please visit our Student Orientation website: my.maynoothuniversity.ie

Welcome Week

**“Getting Ready
for
University”**

Session

Getting Ready for University Life

Visit the Different Zones

Visit the different zones in the TSI Building, where staff and students will be there to give you an overview of their services and answer any queries you might have. These include:

- **Student Skills & Success Zone**
(Careers & Employability Service, Writing Centre, Programme Advisory Office, Academic Advisory Office, Student Success, Student Engagement)
- **Student Services Zone**
Counselling, Crèche, Student Helpdesk, Student Budgeting, Student Advisory, Healthy Campus, Student Health Service, Spiritual Wellness, Student Support
- **Maynooth Access Programme Zone**
- **Fees & Grants Zone**
- **Seomra na Gaeilge**
- **Clubs & Societies Zone**
- **Quiet Zone**
- **Registration Zone**

Note: There will be maps on the digital screens in the TSI Building of the various zones and information stands when you arrive.

Information Stands

Visit other information stands where staff and students will be there to deal with any queries you may have. These include:

- Maynooth Access Programme (MAP) Information
- MAP Financial Support Information
- Maynooth Inclusive Learning Online (MILO)
- The Library
- International Office / Study Abroad
- IT Services
- Centre for Teaching & Learning (CTL) / Moodle
- Equality, Diversity & Inclusion
- Green Campus

Getting Ready for University Life Information Talks

And you can also attend a number of information talks which are repeated during your schedule. These include:

- MAP My Way
- Differences between School & University
- Tips for Commuting Students
- Where do I go on Monday: Accessing your timetable and other online resources
- An Ghaeilge in Ollscoil Mhá Nuad: Oidhreacht, Féidearthacht agus Craic ar Dóigh / The Irish Language in Maynooth University: Heritage, Opportunity and Great Craic

See Schedules on Pages 42 & 43
