

Name: Niall Digney. 4th year. Bachelor of Arts degree

Partner Institution:
Comenius University, Bratislava

Description:

Bratislava is the capital city of Slovakia. It is a vibrant city located in the heart of Europe.

What I Did:

Start Date: September 2017

End date: June 2018

- 3 day college week which leaves plenty of time for travelling.
- Subjects included; Organizational Behaviour, Market research, Management Information systems, Marketing and Marketing management.
- I also got in touch with the local GAA team the Slovak Shamrocks while I was there and played in a tournament against the Vienna Gaels and a team that came over from Wexford.
- It is a great way to get settled in by having some home comforts.

Learning Outcomes:

- Helped me be a lot more independent in life.
- Made friends from all over the world and from all walks of life.
- Got to travel all over Europe and made some unforgettable memories!
- Got to experience another city and culture that I might never of gotten the opportunity to do if it was not for the Erasmus programme.
