Subject choice

2<sup>nd</sup> Year

- Careers Information
- Required subjects for specific careers?
- Research what is involved in subjects
- **Key Message – follow your interests**

## TIPS FOR SUBJECT CHOICE

### GOOD TO KNOW....

- Graduate Recruiters actively engage with us seeking to recruit Maynooth University students/graduates
- 
- For many roles employers are more interested in your grades and experience than your subjects
- Recruitment cycles begin early in final year so it is never too early to start using your Careers Service
- Getting experience in the years before final year is very useful...(it looks good on your CV and helps you clarify what you enjoy doing).

**WHEN UNSURE ... FOLLOW YOUR INTERESTS**

## ▼ Careers Interest Tests

Careers Interest Tests, Psychometric Tests & Self-Assessment Tests: use the Assessment Tests below to identify your characteristics and to generate career options that match.

### Prospects Planner

As a job exploration tool, [Prospects Planner](#) aims to help you to:

- Identify what you want out of a job.
- Generate and evaluate job ideas.
- Identify what you can offer to the job/employer.
- Compare options and identify the right types of jobs to apply for.

### Profiling for Success

This is an assessment tool which explores skills, interests, personality and learning styles. Use your Maynooth University email address to log in [here: Profiling for Success](#). When you have completed the tests your report will be emailed to you.

Available Tests:

- Verbal Analogies (v1)
- Numerical Reasoning Tutorial Test (vA)
- Verbal Reasoning Tutorial Test (vA)
- Abstract Reasoning Tutorial Test (vA)
- Situational Judgement Tutorial Test (v1)
- Numerical Reasoning Practice (2019) (v3)
- Verbal Reasoning Practice (2019) (v3)
- Abstract Reasoning Practice (2019) (v3)
- Learning Styles Indicator (v1)
- Type Dynamics Indicator Form O (v1)
- Values-based Indicator of Motivation (v1)
- Career Interest Inventory (Dodec) (v1)

The screenshot shows the Maynooth University login page. The 'Create an account' section is highlighted with a yellow oval. It includes a 'First part of your email...' input field, a dropdown menu for '@mumail.ie', and a 'Password' input field. Below the password field, there is a note: 'Your password must be more than 8 characters long, should contain at least 1 Uppercase, 1 Lowercase, 1 Numeric and 1 special character (#?@!\$%^&\*+)' and a 'Create account' button. A red arrow points from the 'here: Profiling for Success' link in the left panel to the 'here: Profiling for Success' link in the screenshot.

## Profiling for Success

Below are the assessments you have either purchased or been asked to complete by a (prospective) employer or your university. Simply click on the "Take test" buttons to get started.

### Numerical Reasoning Practice Test (NRP)

This test is a parallel version of tests used by employers to assess your ability to recognise, interpret and solve numerical problems. Your pdf report gives you your percentile against a large sample of UK University students.

Take test

### Verbal Reasoning Practice Test (VRP)

This is a parallel version of tests used by employers to assess your ability to think logically and critically about written information. Your pdf report gives you your percentile against a large sample of UK University students.

Take test

### Abstract Reasoning Practice Test (ARP)

This test is a parallel version of ones used by employers to assess your ability to generate multiple hypotheses and demonstrate mental flexibility using shapes. Your pdf report gives you your percentile against a large sample of UK University students.

Take test

### TUTORIAL Numerical Reasoning Test (NRT)

The tutorial report is onscreen interactive and allows you to see which questions you got right or wrong and gives you an explanation.

Take test

<https://www.maynoothuniversity.ie/careers/students/starting-out#tests>

### Situational Judgement Tutorial Test (SJTT)

This test presents you with a number of scenarios which might occur at work. For each scenario, there are a number of ways in which you could react and you have to choose the most appropriate way of handling the situation. At the end of the test, you can go back to review your answers and see what a panel of experts would judge to be the most appropriate response.

Take test

### Learning Styles Indicator (LSI)

This questionnaire assesses your preferred learning style. It answers questions such as whether you prefer learning by doing or by absorbing information and whether you prefer dealing with facts and details or taking a more intuitive and analytical approach.

Take test

### Type Dynamics Indicator - TDI®

The TDI questionnaire helps you to discover how your preferences affect how you see the world, how you react and behave and what impact this may have on the world and people around you.

Take test

### Resilience Scale Questionnaire (RSQ)

This questionnaire looks at how resilient you are? It identifies five key dimensions of resilience and shows you how you compare to others in respect of these dimensions. The report provides you with useful development suggestions for each area.

Take test

### Values-based Indicator of Motivation (VbIM)

Can you articulate the things that matter most to you? This questionnaire helps you discover your underlying values - which are not always the ones you first thought of.

Take test

### Career Interests Inventory – Dodec (CII-Dodec)

You can narrow your career search by identifying which of 12 themes you prefer. It then matches these against hundreds of jobs and the report takes you straight to a jobs database full of information.

Take test

### Verbal Analogies Test (VAT-SA)

This test is a measure of verbal reasoning. It requires you to identify a relationship between two words or concepts and apply that logic to a second pair of words?

Take test

## Postgraduate Study

Further study – some postgrad courses need

- Relevant Experience
- Specific grades (sometimes from 2<sup>nd</sup> year)
- Conversion courses provide other options

# What is Postgraduate Study?

- Typically, any course you do after your degree is postgraduate study
- There are many different types of courses
- Most are Level 9\*
- Taught courses are popular with many students – these are similar to your undergraduate educational experience – they may include a significant piece of research work too.
- Research Masters usually involve research work only
- PhD – research doctorates involve a significant piece of research – many structured PhD programmes also involve some taught modules
- Professional doctorates can involve research, class and relevant professional training experience

# Students use the Careers and Employability Service for help with... Jobs and options after final year/ relevant experience during your degree

Employers begin recruiting early in final year

- Graduate Jobs
- Graduate Programmes
- Recruitment begins early for some firms
  - Law, Accounting, Pharma, Business, IT and more
- Important to begin planning before final year
- Summer Internships (for 2<sup>nd</sup> year/ penultimate year students) are advertised Dec/Jan each year

# Careers Connect

Careers Connect – Pathways – can help to move through all the information in an organized way.

These Pathways are available on Careers Connect

The screenshot shows the Maynooth University Careers Connect website. At the top, there is a navigation bar with the university logo and 'Careers Connect' text. Below this is a search bar and several menu items: Search, Book, Skills, My Career Passport, and Career Discovery. A red arrow points to the 'Pathways' icon in the main navigation menu. The main content area is divided into several sections: 'Upcoming bookings' (with a search button), 'Saved Jobs' (with a search button), and 'RECOMMENDED JOBS'. The 'RECOMMENDED JOBS' section contains four job listings: 'Summer Student 2024 - Student Work Placement Scheme' (Donegal County Council), 'Youth Development Officer (Tallaght&Lucan)' (Crosscare), 'Student Success Ambassador' (Hybrid), and 'FINANCIAL SERVICES GRADUATE PROGRAMME' (Fidelity Investments).

A collage of five pathway cards. The top row contains three cards: 'Primary Teaching' (Find out more - Primary Teaching), 'Post-Primary Teaching' (Find out more - Post Primary Teaching), and 'Post Primary Teaching - Final Years - Get ready to apply'. The bottom row contains two cards: 'Build your CV' and 'Getting Started - Career Ideas'. Red arrows point from the 'Pathways' icon in the main screenshot to these five cards.
